

Garden Educator

Explore Ecology School Garden Program

Full and/or part time positions available

Position Overview:

The Garden Educator (GE) is an integral part of the garden experience for students, teachers and the school community. The GE connects students to their food, their environment and their community through hands on garden and environmental education lessons, while modeling responsibility, organization and teamwork. GEs facilitate the growth of the garden community and lead school garden based instruction and garden maintenance.

Compensation: Base of \$15.00 per hour, increases DOE, up to 40 hours per week.

Other: Must pass LiveScan (fingerprint background check) and TB test.

Employed by Explore Ecology.

To Apply: Email a cover letter detailing your interest in this position, a current resume, and two professional job reference contacts to contact email. For each reference please provide their name, phone number, email, where you worked with them, and the number of years you have known them.
