

A Benefit for **ExploreEcology**

Sustainable Table

We are thrilled to announce that we are hosting Sustainable Table, our annual premiere fundraising event on Thursday, October 26 at 5:30 pm at the Cabrillo Pavilion. We would love to have you join us as a sponsor!

Sustainable Table's delectable family style dinner menu will incorporate fresh organic produce from our school gardens, grown and nurtured by little green thumbs! This year's menu will highlight the best of what the season has to offer with additional ingredients sourced from local, organic farms.

The evening begins with a Sunset Cocktail Hour on the veranda overlooking the ocean and features local wine, beer, and farm-to-bar cocktails. Dinner is followed by a short presentation along with some fun surprises, a live auction, and a paddle raise.

Sustainable Table brings together a diverse group of environmentally conscious individuals, community leaders, and educators who are passionate about environmental education and creating a sustainable future. As a sponsor, you'll benefit from prominent visibility and recognition throughout the evening. We will also acknowledge sponsors through promotional materials, on social media, and in our newsletter.

Explore Ecology is dedicated to educating and empowering the next generation of environmental stewards. We engage our community, especially children, in hands-on experiences that promote environmental awareness and foster a deep appreciation for nature. Our programs include the Art From Scrap Creative Reuse Store, the Watershed Resource Center at Arroyo Burro Beach, the School Gardens Program, and Water and Waste Reduction education in over 80 elementary schools across the county.

To discuss sponsorship opportunities, please email our Development Director, Melissa Brooks at Melissa@ExploreEcology.org or call 805-884-0459.

Please review the attached Sponsorship Menu to choose the option that best suits your palate. We look forward to hearing from you!

Sincerely,

Lindsay Johnson
Executive Director
